

REAL ESTATE FOR SALE

A HOME THAT WILL PLEASE THE WHOLE FAMILY.

If you are looking for that kind of a home where life will be a pleasure, the days of drudgery past, come to Sciotoville, Ohio. It is a pleasure to farm on smooth land; it is a pleasure to drive on good roads; it is a pleasure to have the best of schools eight months in the year, good churches and Sunday Schools handy, and it is a real pleasure to haul off a load of produce and get the cash for it at the best market in the Ohio valley from Cincinnati to Pittsburgh. I have a fine list of farms for sale—the very choice farms in the country, and at prices that are reasonable — some with the best of terms. You need not be out of a home and pay rent if you can pay a small payment down then the farm will pay for itself. Land produces well here; you can raise any crop here that can be raised in Kentucky. I have some of the best stock farms in Southern Ohio. Fine Blue Grass farms at reasonable prices. Some good poultry farms for sale. Also dairy farms. If you want a farm better write me to meet you at Sciotoville. I do not live in town, so be sure and write me four days before you start. Come on No. 15 on N. & W. Always if you write me I will be at the station. Don't stop till you see me. I will meet you any day except Sunday. Don't delay. I have been gathering up the best farms of the country all winter long. You will be out nothing after you get here. If you write me I will do all I can to help you. Then if you buy I will help you get a team and proper farming tools. There is always some teams placed in my hands for sale; cows, chickens and everything you need. I have special arrangements with a wholesale furniture store that if you buy a farm from me you get all you need for the house at wholesale prices and save the middleman's profit. You see I am looking after your interests as well as looking after selling the farms. A number of good locations for stores, blacksmith shops, grist mills, some with trades already established. It will pay you to buy a farm from the man that looks after all your interests as well as his own. If you have money to invest buy a farm and rent it. Land is going up every day. I have many calls for farms by men that want to rent. Get in line and see me before you buy. I have the best lot of farms ever was offered for sale in Scioto county. Write at once. Don't delay. THE BEST CLIMATE IN U. S.

Come to Yuma, Arizona, the land of sunshine, no floods, no blizzards, no cyclones, sunshine 365 days in the year, 12 months' growing season and haying in January; 12 tons of alfalfa hay per acre annually; the greatest cotton country on earth; oranges, lemons, grapefruit, peaches, grapes, apricots, dates figs and other fruits and melons produce more bountifully and reach the markets earlier and consequently bring better returns than from any other section of the United States. Fruits are not grown anywhere else in the world with the quality of flavor of the Yuma fruits. Crops will bring annual returns of from \$100 to \$1200 per acre annually. You may live here in comfort and happiness, surrounded upon every side by smiling prosperity. Ten acres here is better than a life-time salary of \$125 per month; twenty acres will in a short time make a large family independent, while forty acres, if properly handled, will bring a good fortune in a few years. Our water supply is unlimited, being diverted from the Great Colorado by the U. S. Government's \$5,000,000 irrigation project. Why live in the land of floods, snow, sleet and ice, and blizzards and eke out mere existence when there is open to you the lands of the wonderful Yuma Valley; where exists perpetual sunshine, prosperity and happiness, where life is worth living. Having grit, sell your holdings or mortgage for all you are able and come NOW. For literature address McCURE REALTY, LOAN AND TRUST CO., 352 2nd St., Yuma, Arizona. 2-20-st-pd.

FARMS FOR SALE.

If you are interested in buying a farm it will pay you to come and see the farms we have for sale. It is a fact that nearly any one can live on most any kind of a farm, but if you aim to prosper you must have a good farm. The farms we have for sale you can farm with some pleasure and satisfaction. You ride your plow in breaking the ground, then you ride your corn planter which plants two rows at a time, then you ride your cultivators that plow two rows at a time, no hoe required. You also ride on the wheat drill. Can you do this on your hillside farms? Why not come to Ohio and buy a farm where farming is a pleasure? Remember that the best investment on earth is earth itself, but some localities are better than others. You should pick for the best. This will be a level or rolling farm in Ohio. We have a large number of farms for you to select from, ranging in size from 21 acres to 459 acres. Several range about 80, 100, 110 acres. These are nice sized farms and price and terms in reach of any buyer. Make a small payment down and finish by the year—make your farm pay for itself. Some of these farms are well improved and have a large number of fruit trees of all kinds. This is a great fruit country. We have the best water in the country.
